

January 12, 2017

Dear Senior Parent/Guardian,

It is hard to believe that graduation is so near. The reward for your student's hard work and dedication is coming soon and I know you could not be more proud of all that your student has accomplished.

We have a unique opportunity to offer to the senior class of 2017. Farragut High school is offering a way to commemorate your individual child's accomplishment that will forever be in the building for future generations to see. The Tiles for Technology campaign will allow your child's name to be engraved onto a tile that will be permanently affixed in the Commons of Farragut High School. We are truly excited about this opportunity and feel like it is an excellent way to commemorate such an accomplishment.

The money raised from the Tiles for Technology campaign will be used to continue technology upgrades for future Admirals. The cost for the tile is \$100 and may be tax deductible. What an amazing opportunity to celebrate your student and help the institution that educated your child. There are two ways to order your tile:

1. Go to <https://www.brickrus.com/order/fhsef/> and place your order online.
2. Or simply fill out the form that is included with this letter. Either have your child bring the form to the first floor office OR mail the form along with your check to:

Farragut High School
Attn: Tiles for Technology
11237 Kingston Pike
Knoxville, TN 37934

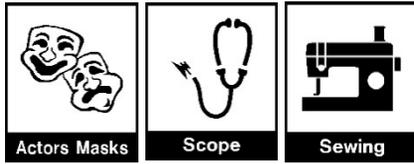

The deadline for ordering your Senior Class of 2017 is fast approaching. The deadline is March 31st and late orders will not be accepted; meaning your tile will not be placed on the wall with the rest of the senior class.

If you have any questions please feel free to email fhstiles@gmail.com.

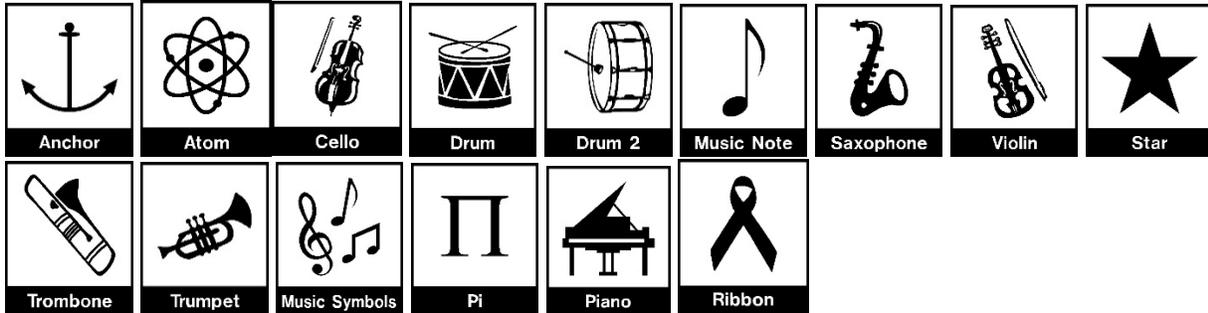

Sincerely,

Thomas A. Deakins
Vice President FHS Education Foundation

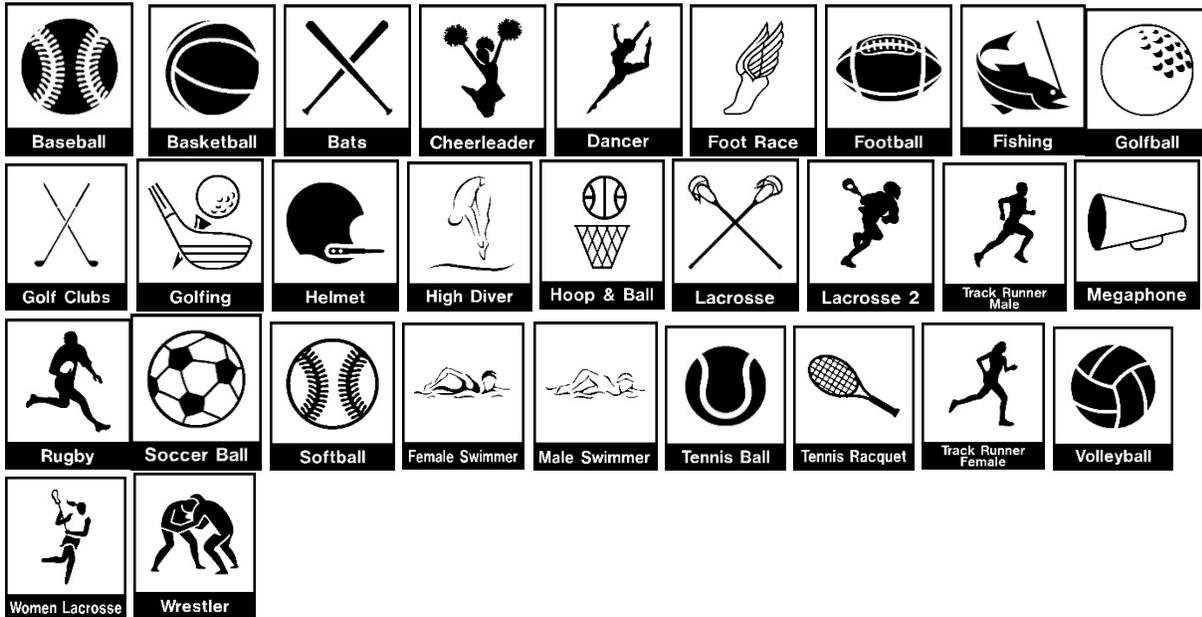

Business

Miscellaneous

Sports

Please mail this form along with a check to:

Farragut High School
Attn: Tiles for Technology
11237 Kingston Pike
Knoxville, TN 37934

*All checks should be made out to FHS Education Foundation
